

Message from the President

My involvement and participation in ACCE began after my business received the "Best International Business Award" in 2005. Since that time, I have seen ACCE attract an impressive list of high-calibre entrepreneurs and professionals to be our advisors, directors, and members. They have devoted their personal time and contributed selfless efforts to help carry out the missions of ACCE: to promote entrepreneurship and social responsibility.

Since its establishment 1994, ACCE's footprints have penetrated far beyond the Chinese Canadian community. The status and success of ACCE is reflected by the attendance of many prominent Canadian leaders at ACCE's annual Chinese Canadian Entrepreneur Awards Gala, whether in the capacity of keynote speakers or Life Time Achievement Award recipients, including:

- The Right Honourable Stephen Harper, Prime Minister of Canada;
- The Honourable Norman Kwong, Lieutenant Governor of Alberta;
- The Honourable Dr. David Lam, Lieutenant Governor of British Columbia;
- Presidents from renowned corporations such as HSBC Bank Canada, The Bank of Nova Scotia, IBM Canada, Microsoft Canada, Honest Ed's and AIC Limited.

My experience with the various activities of an organization as dynamic as ACCE has been truly rewarding. In September 2010, I was elected as the new President of ACCE. I feel privileged to be given this prominent role to lead ACCE as the association continues to take leadership in the Chinese Canadian and mainstream communities. I would like to take this opportunity to thank our past ACCE Presidents, namely: Mr. Royson Ng, Ms Joanna Lo, Mr. Fred Lai, Mr. Andy Yap and Mr. Wilbert Lai. Their leadership has set the stage for ACCE to venture into a new era of engaging and rewarding entrepreneurship.

During the past 14 years, ACCE operated humbly in a small leased office space. In October of this year, ACCE finally acquired its own space in Markham. As ACCE's permanent home and headquarters, the new office location enables ACCE to hold networking seminars and events at our own venue. The first event at the new office was held in November, at which time some of our past winners were invited to share their valuable experience on "Core Marketing Strategies for a Successful Business".

ACCE has also worked in partnership with other organizations to promote the spirit of entrepreneurship. This year, ACCE organized a Networking Workshop alongside HKCBA, and co-hosted the Markham Small Business Forum with the Markham Board of Trade and the Markham Small Business Centre. These events each attracted hundreds of participants, who benefited from the

knowledge and experience of our community's business leaders.

ACCE has also launched a new initiative to promote and develop studies in business and entrepreneurship by working with post-secondary institutions such as Seneca College and Centennial College. In one of the events organized by Seneca College named "Sharks Pond" (based on CBC's Dragons' Den), our past winners and sponsors were part of the judging panel. ACCE also has representation in the Curriculum Advisory Board of Seneca College. Through these efforts, ACCE continues to be dedicated to helping transform the students of today into the entrepreneurs of tomorrow.

ACCE is active in giving back to the community. This year, ACCE made charitable donations to help the victims of natural disasters in China and Pakistan. We were also a proud Community Sponsor of CTV's Toy Mountain Drive, an initiative to make dreams come true for less fortunate children during the Christmas season.

While ACCE is serious about entrepreneurship and social responsibility, we are also full of fun and energy. We organized and celebrated festive events such as the Christmas Party and Chinese New Year Celebration. The events are both amusing and entertaining for our guests and members. You won't want to miss them this upcoming year.

The signature event for ACCE is the annual Chinese Canadian Entrepreneur Awards Gala. The next Gala will be held on April 2, 2011 at Hilton Suites in Markham. As in previous years, we expect more than 800 dignitaries and guests to attend the Gala night, where outstanding entrepreneurs will be recognized and awarded. The upcoming awards in 2011 will mark the 15th anniversary of the Awards. We look forward to seeing and reuniting with past winners at the Gala, and to welcoming the new winners. It will be a glamorous and memorable night for ACCE supporters and award winners.

In the coming year, we will continue our initiative to expand ACCE to the West Coast. In time, ACCE will undoubtedly become a leading national business association.

Last but not least, on behalf of ACCE, I would like to wish all of you a wonderful holiday and happy new year!

I thank you for your support, and I look forward to counting on you to help promote the missions and expand the territories of ACCE.

Thank you.

Alan Kwong
President

In Memory of the Honourable Dr. David See-Chai Lam (1923-2010)

The Association of Chinese Canadian Entrepreneurs is deeply saddened by the passing of Dr. David Lam.

His immense contribution to Canada and the Chinese Canadian community is widely recognized and respected. Dr. Lam has set an important example to all of us as a pioneer and builder of Canada's multicultural foundation. His dedication to and sacrifice for the benefits of his fellow countrymen has made all Chinese Canadians proud, including in the noticeable areas of entrepreneurship and social responsibility.

ACCE is grateful that Dr. Lam has set this important example for all Canadians by accepting the ACCE Lifetime Achievement Award in 2009 for his distinguished contribution to all of us.

Our thoughts are with the family of Dr. Lam and believe all of us share this insurmountable loss to all of us.
