Summer 2016

Message FROM THE President

Irwin Li
President

The long sunny days and soaring temperatures signal the much anticipated arrival of summer. Since the Spring edition of Entrepreneur News, there have been a number of exciting events at ACCE.

First and foremost, the ACCE Awards Gala, which was held on April 2, 2016 at the Westin Harbour Castle, Toronto, was an unqualified success. Prominent political, business and community leaders were amongst the 1,200 guests in attendance to celebrate the monumental 20th anniversary for ACCE's signature event. I extend heartfelt congratulations to this year's impressive group of nine awards winners, which were chosen from an abundant pool of extremely high-caliber entrepreneurs nominated from coast to coast. I especially wish to congratulate and acknowledge Mr. Stanley Kwok for being the recipient of the 2016 ACCE Lifetime Achievement Award.

On May 10, 2016, we welcomed the newly-minted award winners at a Winner's Club dinner at The School Fine Dining in Markham. They joined past winners from the previous nineteen years for an evening of great networking and sharing of insights. I wish to thank BDC for being the title sponsor of the ACCE Awards and for this Winner's Club event.

The 2016 winners were then showcased at the 2016 ACCE Business Forum entitled "Learning from the Achievers", which was held on June 11, 2016 at the North York Civic Centre. The winners shared their success stories and helpful tips with over 200 guests in attendance, who all richly benefited from the panel discussion and exhibits.

Continuing with ACCE's successful expansion to the West Coast, the 2016 ACCE West Coast Diversity Business Networking took place on May 26, 2016 at the Sandman Signature Vancouver Hotel & Resort in Richmond, BC. There were over 100 attendees including representatives from various levels of government. The success of this event would not be possible without the efforts of event co-chair and winner of the 2015 ACCE Entrepreneur of the Year Award, Toby Chu. I also wish to thank Rogers Communications for being the title sponsor of the event.

Looking ahead, we will have one of our most popular events, the ACCE Annual Golf Classic, on July 7, 2016 at the beautiful Bayview Golf and Country Club; and on July 28, 2016, we will have another "Networking To Learn" luncheon at the Shangri-La Convention Centre in Markham.

Of course, none of these events will be possible without the support of various stakeholders such as our sponsors, members, volunteers, staff, various levels of government, and the media. I wish to thank everyone for their continuous support.

I wish everyone a very safe and enjoyable summer, and look forward to seeing you at the next ACCE event.

ACCE President Irwin Li presented an appreciation plaque to Peter Lawler, Senior Vice President from BDC (Title sponsor of 2016 ACCE Awards Gala)

Lifetime Achievement Award

Mr. Stanley Kwok

Although Stanley Kwok is an architect by trade, but he is also renowned for being a community builder, urban planner, developer, dreamer, teacher and entrepreneur. Leaving a teaching position at Hong Kong University, he moved from Hong Kong to Canada in 1968. Since then, Stanley has designed over 200 buildings and has helped to shape many of the world's cities and skylines.

After settling in Vancouver in 1970, Stanley and John D'Eathe founded Canadian Freehold Properties, which prospered through the decade. In the 1980s, he served as President of B.C. Place Corp., which included the management of B.C. Place Stadium. In 1987, as the deputy chairman of the property development company, Concord Pacific, he spearheaded the plan and built the \$3-billion, 81-hectare Concord Pacific Place. This is Canada's largest master-planned urban community on

the north shore of False Creek, Vancouver. It became the central venue for the 1986 World Exposition and the 2010 Winter Olympics, and accommodated 50 tower buildings; which translates into 10,000 homes for over 20,000 residents.

In recent years, Stanley has been active in various Canadian and international real estate development projects. He helped laying the conceptual groundwork for the Dubai Marina Plan, and developed Phase I of Dubai Marina, a 405-hectare waterfront development for Emaar Properties of Dubai.

Stanley's business achievements are equaled by his community service and philanthropic contributions. He serves on various boards and organizations including Husky Energy Inc., CTBC Bank and Element Lifestyle

intuitive to ride. The e-bikes are small, but yet robust on and off road, and fun to ride. They have the ease of a scooter but are road-legal as an electric bike.

The Revelo e-bikes have mass global appeal and are currently being used all over the world, including North American cities, and in Amsterdam, and Shenzhen.

Ms. Karen Nguyen, Director, Rogers Communications presented the Most Innovative Award to Mr. Henry Chong, Revelo Electric Corporation.

Most Progressive Award

Mr. Philip Ho, Forward Signs Inc.

Forward Signs produces all types of signs from its Toronto-based facility that is home to more than 90 full time staff spread out across 8,000 sq. ft. of office space and 50,000 sq. ft. of manufacturing space. Its products include both indoor and outdoor signs such as 3D signs, menu

boxes, wall murals, digital mall directories, pylon signs, and digital prints. They also retrofit older fluorescent, neon and metal halide lamps signs to new, more energy-efficient LEDs and induction lights.

The clients of Forward Signs come from across Canada and include major developers, government institutions, restaurants and retail businesses such as Bell Canada and the LCBO.

Best Community Service Award

Ms. Deborah Lau-Yu and Mr. Raymond Yu, PALETTERA Inc.

Deborah Lau-Yu and Raymond Yu are the co-founders of Palettera, a luxury print and design studio based in Markham, Ontario. Although it is no stranger to creating custom correspondences for bridal and corporate events, Palettera is more than just a typical printing firm. It prides itself on event branding and stationery, art direction, and most importantly, story-telling for the Chinese culture.

Deborah is a cultural enthusiast and a young philanthropist who is dedicated to maintaining the Chinese culture within the Canadian community. She devotes her time to building awareness and passion through designing for

various iconic charitable events around the city. This is the reason why Palettera is frequently recognized as a high-level sponsor working with local charities and non-profit organizations that support the arts and culture.

Deborah and Palettera have demonstrated great attention to detail on every project, while ensuring the promotion of art and Chinese culture to their audience. In the process, they have been able to translate their passion for telling compelling stories into great community work through innovative and unique ways.

He quickly saw the opportunity to bring the authentic Taiwan tea experience to Toronto and opened up the first Canadian Chatime store in downtown Toronto in October 2011. In 2012, he partnered with Vincent Lau and Thomas Wong and founded Kevito, the Canadian master franchisor for Chatime.

Chatime offers authentic Taiwanese freshly brewed tea, with 99% of the ingredients imported from Taiwan instead of using local substitutes. In addition to choosing

the flavor, customers are able to customize their drinks by selecting the specific sweetness and ice levels.

Outside of its stores, Kevito delivers a great customer experience by staying connected to its customers through social media, email, loyalty programs, and monthly specials. It also offers a mobile app and self service gift cards. After serving more than 2.5 million cups of tea, Kevito has been named the global Master Franchise of the Year by Chatime and is about to open its 14th Chatime location.
