Cheryl Giblon, P.Eng., M.B.A., Ph.D.
Industry Engagement Manager
Office of Research Services / Innovation York University

Cheryl joined York University in September 2012, as Industry Liaison Manager, where she is responsible for advancing industry-academic research collaborations and partnerships, and managing our start-up accelerator space at the IBM-Markham Convergence Centre.

Dr. Giblon has over 25 years of experience in global technology sales and marketing, engineering, and operations management at several start-up and multinational technology companies, including Compaq Canada (now HP), Borland Software, ATI Technologies Inc., Stetron International, eNation Corporation, Allied Signal Aerospace (now Honeywell) and Bell Sygma, Inc. Dr. Giblon currently sits on the Board of Directors of the Richmond Hill Board of Trade as Chair, and has been Chair of the Board of the Markham Public Library and Vice Chair of the Board of the Markham Board of Trade.
