

Building a Stronger Business through Diversity

This webinar features the importance of building diverse and inclusive organizations and how to achieve that.

Leslie Woo
CEO, CivicAction

Cara Inglis
Consumer and Modern
Work PR Lead
Microsoft

Andrew Au
Managing Director
Intercept Group

The purpose of this webcast is to provide an educational piece to business owners on:

- Why do we need to become diverse and inclusive?
- How do we develop a plan to increase intersectionality and change culture?
- How do we operationalize and implement that plan?
- How do we monitor and measure results?
- How do we promote diversity and inclusion outside of the organization and into the community?

Moderator
Jessie Ma
Chair of the ACCE
Social Issues Committee
