CHINA INTERNATIONAL
IMPORT EXPO

Letter of Appreciation

Association of Chinese Canadian Entrepreneurs :

The 6th China International Import Expo was successfully held in Shanghai from November 5 to 10. In a letter, President Xi Jinping reiterated China's unwavering commitment to advancing high-level opening-up and fostering an open world economy. He underscored the CIIE's trajectory of continual improvement. Premier Li Qiang attended the opening ceremony and delivered a keynote speech. Before the opening ceremony, he visited the enterprise exhibition, and after the ceremony, he toured the pavilions with foreign leaders in attendance. Leaders from various countries and heads of international organizations delivered speeches on the scene. This marked the first fully offline CIIE since 2020, drawing heightened enthusiasm and active participation from the international community, and setting unprecedented records across various metrics.

This year marks the beginning of the comprehensive implementation of the spirit of the 19th National Congress of the Communist Party of China and the 45th anniversary

of reform and opening up. Under the strong leadership of the CPC Central Committee and the State Council, and with the joint efforts and strong support from all parties, the 6th CIIE has become a high-standard, high-quality, and high-level global economic and trade event. It showcased the resilience and enormous potential of China's economy, strengthened ties with various countries, boosted confidence in cooperation with China, and made contributions to the world economic recovery and global development prosperity.

The success of the 6th CIIE, getting better with each passing year since its inception six years ago, would not have been possible without the active participation and strong support of your unit. Here, we would like to sincerely extend our deepest appreciation and highest respect to your unit and all colleagues who worked hard during the CIIE.
