

Christine Chiu
Director of Sustainable Finance
RBC Royal Bank

Christine joined the RBC Sustainable Finance team as a Director in 2023. At RBC, she is responsible for reviewing sustainable finance loan structures, ESG advisory and sustainability for SMEs. Prior to joining RBC Christine held the position of Director, Sustainable Finance at Mitsubishi HC Capital, where she drove origination and execution for the renewable energy and clean tech portfolio. She has also worked at CORE Partners LP, the first community-owned solar fund in the United Kingdom. There, she managed the legal and financial due diligence for project financings.

Christine holds an MSc Social Policy from the London School of Economics, an MSc International Relations from the Universiteit van Amsterdam, and a BA from McGill University.
