

Hugh Chow
CEO of VentureLAB
Executive Director of The ESG Consortium
Winner of the 2007 ACCE Best International Business Award

Currently the Chief Executive Officer of ventureLAB, Executive Director at The ESG Consortium and a Partner at Radiant Tech Ventures, Mr Chow is also a Special Advisor of Kumshing Group, Chairman of MICAS Group, Chairman of The Apple Tree Preschool and Learning Centres, and Chairman of Hong Kong Technologies Advancement Group.

In 2018, Mr Chow was recruited globally by the Hong Kong Government and appointed CEO of Hong Kong Applied Science and Technology Research Institute, a world-leading government funded applied research institute with 600 full-time researchers.

Mr Chow has 12 international patents as an inventor and engineering executive at ATI Technologies Inc from 1993 to 2000. He subsequently co-founded ViXS Systems Inc. in 2001 and took it public on the Toronto Stock Exchange in 2013, having culminated over 500 international patents, 8 R&D centres worldwide. Mr Chow also won 8 consecutive Deloitte Fast 50, ACCE International Business Award 2007, and Hong Kong Canada Business Achievement 2014. In 2016, Mr Chow co-founded Pool Global Partners and launched 2 cross-border venture funds on deep-tech, sustainability and ESG. Mr Chow is also a Transport Canada licensed pilot, a marathoner and an Ironman triathlete.
