On the brow of a hill overlooking the city, a 98-room castle dominates the Toronto skyline- Casa Loma. This renowned Edwardian landmark features unique architecture, soaring ceilings, rich wood carving, sumptuous marble and luminous stained glass. Casa Loma is the unique legacy of Sir Henry Mill Pellatt, a prominent Canadian financier, industrialist and military officer of the early twentieth century. You can explore secret passages, view the city from one of two towers, and traverse an 800-foot tunnel to luxurious stables. Five acres of beautiful estate gardens surround the castle and offer sparkling fountains, unique sculpture and dazzling displays of rare annuals and perennials that change with the seasons.
