

Message from the President

Kevin Au-Yeung, President

On behalf of the ACCE Board of Directors, I would like to extend my very best wishes for 2021 – the Chinese Year of the Ox. I wish everyone a healthy, harmonious and blessed year as our hopes for a return to normal grow stronger each day with the widespread administration of vaccines.

ACCE's mission to assist entrepreneurs has never been more important than during this unprecedented pandemic. As Canada's leading Chinese Canadian business association, we quickly pivoted to digital program delivery under the new ACCESS sub-brand, presenting an incredible total of 15 digital events since the pandemic restrictions began last March with each event attracting hundreds of online participants. Just on the horizon, our most glamorous and highly anticipated event – the ACCE Awards Gala – will also be delivered virtually. But first, let's recap the events which have taken place since the last newsletter.

Our Mandarin Speaking Group was the first to ring in the new year with an event on January 21, 2021. The expert panel shared their knowledge on the timely topic "How to Digitize Your Business" with attendees, and I thank Google and the Asian Google Network for being the Supporting Partners of this event. Then on February 4, 2021, ACCE and the City of Markham co-presented a forum on "Doing Business in South Korea." This forum was held in partnership with Export Development Canada, Global Affairs Canada, Korea Trade & Investment, Hyundai Auto Canada and Shopify Korea, whose representatives provided valuable insight in the panel discussion.

On February 18, 2021, we enjoyed the fun and frivolity of the annual Chinese New Year celebrations, which included traditional Chinese folk dance and lion dance performances. I wish to thank Wealth One Bank of Canada for being the sponsor of our Chinese New Year celebrations.

Two more webinars were held on March 8 and 24, 2021, by ACCE Magnolia Club and the Young Entrepreneurs Group, respectively. While Magnolia Club enjoyed an intimate virtual fireside chat with entrepreneur Eva Lau, the Young Entrepreneur Group had a number of experts discussing "Roads Leading to Asia." I want to thank Scotiabank for their support as the sponsor of the Magnolia Club event, as well as National Bank, the Hong Kong Economic and Trade Office and Invest Hong Kong for their support as the co-sponsors of the Young Entrepreneur Group event. In addition, I thank all the panelists of the above events for sharing their knowledge and wisdom with us.

As mentioned, the 2020/2021 ACCE Awards Gala is drawing imminently near. It is ACCE's premier, signature event and is where the very best in Chinese Canadian entrepreneurship from coast to coast is recognized and honoured. The Awards Gala will be held virtually on April 24, 2021, and I am sure you are eagerly anticipating the unveiling of the winners.

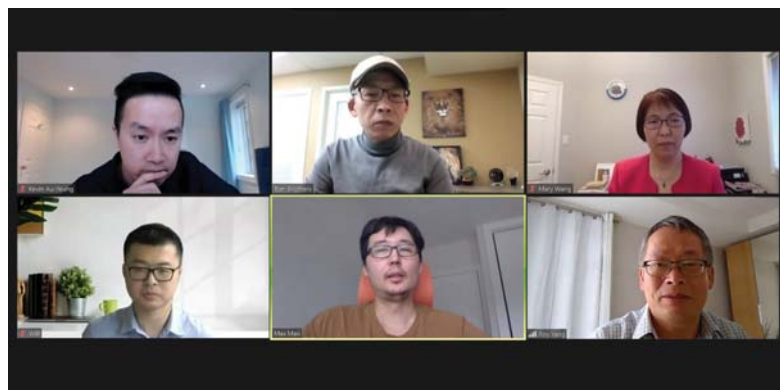

With an ever-expanding segment of the population being vaccinated each day, we are optimistic for a swift decline in cases and the eventual resumption of in-person events. Until then, ACCE will continue to deliver programs, resources and networking virtually. Please visit our website at www.acce.ca for more details on future programs.

As always, I want to thank our various stakeholders, including our sponsors, directors, members, volunteers, staff, various levels of government and the media, for their support.
