## Message from the President

The quickly approaching holiday season signals that 2020 is thankfully drawing to close. As the vaccine starts to rollout, we can hope for a return to some normalcy and a much better year in 2021.

ACCE's mission to assist entrepreneurs has never been more important than during this unprecedented pandemic. As Canada's leading Chinese Canadian business association, we quickly pivoted to deliver virtual programs, resources and networking under the ACCE's sub-brand, ACCESS. I am so proud that ACCE has successfully presented ten digital events since the pandemic restrictions began; and inasmuch as these virtual programs have been very well received, we cannot wait to be able to return to in-person programs soon.

Kevin Au-Young, President

We hosted a webinar on "Go Online: Using the Power of Digital to Get New Customers" on July 16, 2020 in partnership with the City of Toronto, Google, Asian Google Network and Digital Main Street. Then on September 3, 2020, we had our Annual General Meeting where we welcomed two new directors to the Board – Yuki Yuan and Dennis Poon of Browne Group, winner of the 2019 ACCE Best International Business Award. On September 23, 2020, our Young Entrepreneurs Group hosted a "Powering Potential and Possibilities" Velocity Event. I wish to thank our event sponsor National Bank and our program partners Google and Asian Google Network.

Then on October 15, 2020, ACCE hosted our largest and most ambitious virtual event to date – a Virtual Forum which engaged past ACCE award winners, speakers and attendees from coast to coast. I wish to thank Gold Sponsor RBC Royal Bank and Supporting Partners Hong Kong Economic and Trade Office, InvestHK, the City of Markham, the Markham Small Business Centre, Google, and Asian Google Network. Then on November 18, our women entrepreneurs group "Magnolia" hosted a webinar entitled "How Women Leaders Pivoted During COVID-19".

Most recently, ACCE had our Christmas Celebration on December 3, 2020 with the support of TELUS Business as sponsor. The interactive event had close to 200 virtual attendees who enjoyed an evening of prizes, entertainment, games and networking, just as they would at an in-person festive event.

As always, I want to thank our various stakeholders such as our sponsors, directors, members, volunteers, staff, various levels of government, and the media for their support. In addition, I wish to thank all the speakers and panelists for sharing their experience and wisdom at our events.

Last but not least, I want to wish everyone a very safe and enjoyable holidays with your loved ones. I hope you and your family will stay safe during the holidays by finding new and creative ways to celebrate responsibly. Merry Christmas and Happy New Year.
