

## Message from the President

The quickly approaching holiday season signals that 2021 is drawing to a close. Since the last edition of this Newsletter, we have seen the steady return to normalcy, including the first in-person ACCE events in over eighteen months! Understandably then, I am even more excited than usual to recap the latest events here.

The first in-person event took place on September 16, 2021 when we held an Appreciation Reception at Porsche Centre Markham for the sponsors, award winners, nominators, volunteers and other contributors of the Awards Gala. The excitement of gathering together again was amplified by the modern and airy venue which allowed us to catch up and reconnect after the long physical absence.

The resumption of physical events did not mean the end of virtual programs under the ACCESS sub-brand. Our Annual General Meeting was held virtually on September 29, 2021, where we welcomed three new directors to the Board – Andrew Au, Kit Poon and Yan Wang, all of whom are ACCE Award winners. As ACCE continues to grow nationally, Kit Poon became the first of what will be many ACCE directors based outside of Ontario. I also had the honour of being elected as ACCE President for an extended term during this Annual General Meeting. I want to thank all of the members, the Board of Directors and the Advisory Council for their support.

Kevin Au-Yeung, President

On October 28, 2021, we hosted a Winners Club event as the second in-person gathering. With BDC's support as Event Sponsor, past and present ACCE Awards winners enjoyed a delicious dinner at the newly-renovated New Century Restaurant in Markham and received an informative presentation on "The Power of Digitization" from BDC's experts. I would like to thank BDC for their continuing support.

The third in-person event was organized by our women entrepreneurs group "Magnolia" on November 5, 2021 at the studio of Canadian fashion designer Christopher Bates located at Toronto's Eaton Centre. In an innovative format, attendees were able to see some of the renowned designer's latest designs, hear his views on entrepreneurship, and become models for the evening by strutting down the runway while having their photos taken.

Things were just as busy on the virtual side. On November 10, 2021, our Mainland Group held a webinar on how businesses can adapt in a post-COVID world. I would like to thank Wealth One Bank of Canada for being our Event Sponsor. Then on November 25, 2021, in partnership with the Chinese Cultural Centre of Greater Toronto and the Stronger Together Coalition, our Social Issues Committee held a webinar entitled "Building a Stronger Business through Diversity". I wish to thank all the speakers and panelists at these events for sharing their experience and wisdom.

Looking ahead, ACCE will have our Christmas Celebration on December 2, 2021 virtually on the Hopin platform. On the other hand, the Chinese New Year Celebration will be held as an in-person event on February 8, 2022 at New Century Restaurant. Please check [www.acce.ca](http://www.acce.ca) regularly for details on all of our upcoming programs.

As always, I want to thank our various stakeholders such as our sponsors, directors, members, volunteers, staff, various levels of government, and the media for their support.

Last but not least, I want to wish everyone a very safe and enjoyable holidays with your loved ones. I hope you and your family will stay safe during the holidays. Merry Christmas and Happy New Year.
